

# Paper Doll Play Kit

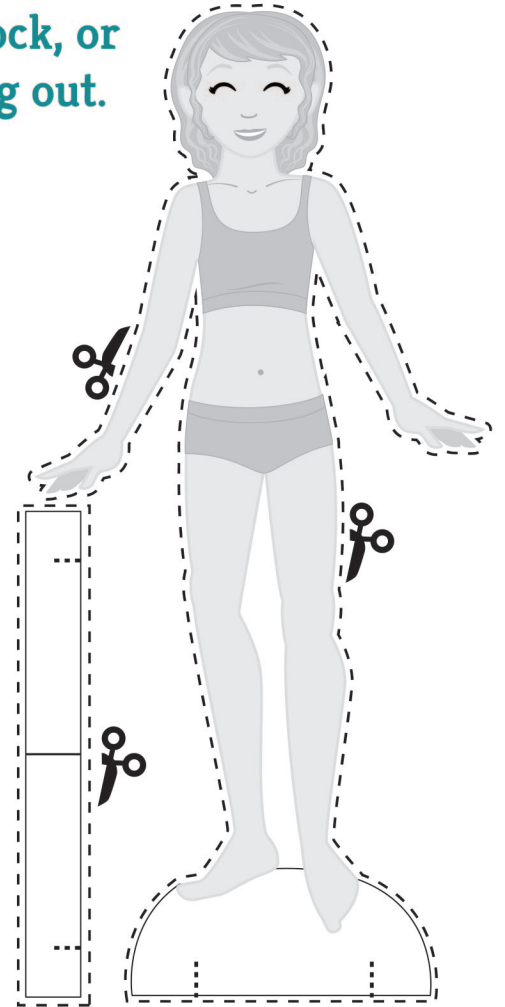

## Summer Fun!

**Print dolls on heavy paper or cardstock, or glue to light cardstock before cutting out.**

1. Print out the paper doll kit.
2. Using sharp scissors, carefully cut out the doll and stand.
3. Cut out slits in the stand and base, then fold the stand in half on the solid line, like the diagram.
4. Attach the stand on the base of the doll with the slits.
5. Print and Play endlessly!

**Try mixing and matching the fashion items for endless combinations!**

**Have fun... and happy paperdolling!**
